

Annual Scientific Meeting 2023

Update in Anaesthesia & Perioperative Medicine

Coventry MTC & Coombe Abbey Hotel
6th October 2023

The British Association of Indian Anaesthetists invites you to join us for our **Annual Scientific Meeting 2023** to be held in Coventry on 6th October 2023. We have a full day of exciting topics and talks delivered by leading speakers from across a multitude of subspecialities of Anaesthesia.

Our programme includes updates within Obstetric Anaesthesia, Hot topics in Anaesthesia, CESR and a live block demo and much more! On Saturday 7th October 2023 we are hosting an exciting number of **workshops** including an **Airway workshop**, **Simulation workshop** & **Regional workshop**!

For full details of the programme please refer to the BAOIA website:
